Riders Must Toe the Mark If They Wish to Succeed—Penalties Inflicted—Racing Men Have Kick Coming—Programme of Thursday's Race—Emise Goes East.

It is difficult for the public to understand the record tables as they now stand, for it seems to the uninitiated that there must be hundreds of records as almost every race that has been run on the Palace track has a record.

The one-half mile competition record, for instance, has been broken four times in less than two months. On May 29, the "Terrible Swede" secured it; on June 1-5, on July 4 he lowered it to 1:30.1-5. On July 4 he lowered it to 1:30.1-5 in the afternoon races and on the night of July 4 Gunn cut the record off the time in the one-half mile state championship.

Thursday night Johnny Chapman made the figures 1:29.2-5, a world's record, and time that will not be easily bettered in competition.

The one mile professional competition has also been reduced four times this season as follows: 2:15.1-5, 2:14.1-5, 2:13.5-5 and 2:10.5-5. The world's record is 2:00 flat, made by Nat Butler at Louisville, Ky., and the Salt Palace track will probably get this record before thirty days have passed away.

The five mile professional record has suffered this season also, Julius Lawson, Turville and Chapman having each reduced it in turn in the following times: 12:21.2-5, 12:01.1-5, 11:59.1-5, 11:58.1-5, 11:57.1-5, 11:56.1-5, 11:55.1-5, 11:54.1-5, 11:53.1-5, 11:52.1-5, 11:51.1-5, 11:50.1-5, 11:49.1-5, 11:48.1-5, 11:47.1-5, 11:46.1-5, 11:45.1-5, 11:44.1-5, 11:43.1-5, 11:42.1-5, 11:41.1-5, 11:40.1-5,
